

100%design

1 The 'Jigsaw Screen' is made from clear acrylic laminate. It is available in black or white gloss, with one of a selection of iconic images, or with a bespoke image. It measures 185 x 185 x 1cm, and costs from £1,450, from Jake Phipps (tel: 020-7386 2699).

2 Over the last few years, Russell Pinch's name has become synonymous with good British design. This 'Avery' dining chair is part of his first collection for SCP. Available in natural or dark-stained oak, it measures 80 x 43 x 43cm, and costs £175, at SCP (tel: 020-7739 1869).

3 'Bloom' by Helen Amy Murray is a complex, three-dimensional design fashioned from a cowhide material.

4 This 'Crowd Control' pendant light in mouth-blown Pyrex glass with applied, handmade porcelain moths is from the exciting new collection by Bodo Sperlein for Spanish ceramics company Liadro (tel: 020-8971 1790). It measures 25 x 30cm diameter, and costs £800.

5 'Kaleido' screen-printed wallpaper in black (JWP801), 52cm wide, £59 a 10-metre roll, from Jocelyn Warner (website: www.jocelynwarner.com). BACKGROUND 'Ribbon' wallpaper (AV389), 53cm wide, £33.45 a 10-metre roll, from the Accolade Collection, by Natasha Marshall, through Today Interiors (tel: 01476-574401). >
