£2.80

## News in Pictures

1

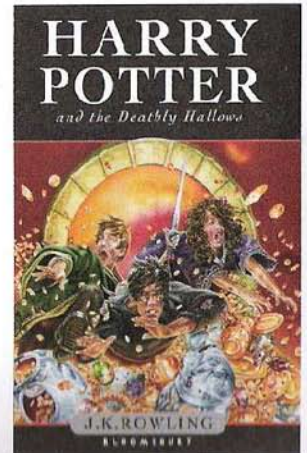

1 Terence Conran unveiled an 'English' collection for Royal Doulton this week. The kitchen and tableware range was inspired by Conran's early visits to old country houses.

2 Jocelyn Warner's new wallpaper, Flora, is inspired by historic botanical prints and wall murals, and highlights the flowering stems and branches of plants with the use of metallic golds and silvers. It will launch at 100% Design in September.

3 Amid huge publicity, the new JK Rowling book, Harry Potter and the Deathly Hallows
