Roomie

Rugged up £4,245

The fashion designer Matthew Williamson, known for his bright, bias-cut fabulousness, has turned his talents to rugs. The Peacock design (274cm by 183cm), made from Tibetan wool and silk, works just as well as a wall hanging. It is too new to appear in the latest catalogue from The Rug Company, but you can order it now (allow 16-20 weeks). 020 7229 5148, www.therugcompany.info

Natural light £122

Jocelyn Warner takes natural motifs — leaves, blossom, branches — and adds subtle colouring to make covetable rugs, wallpapers and lamp shades. You can buy her latest offerings from her website before they hit the shops. Highlights include this large drum lamp shade (48cm by 40cm). 020 7375 3754, www.jocelynwarner.com

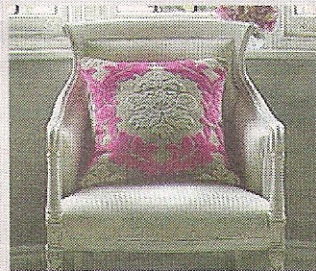

Mug shot £18

There's nothing like a good cup of tea, especially in a mug like Linda Bloomfield's new Worker, in hand-thrown porcelain. The outside is matt white; the inside has a pastel glaze in baby blue, turquoise, pale green or pink. It's huge, too (11cm tall, 400ml volume). 020 8743 7258, www.lindabloomfield.co.uk
