fragrant beauty 芳香處處

Cochine founder Kate Crofton-Atkins spent a year getting to grips with Vietnamese trees and plants, in a bid to cultivate a collection of fragrances that would perfectly embody the city of Saigon in all its guises. She used the finest essential oils - working with sustainable and ethically sourced materials - to create her range of candles, body lotions and diffusers. Choose from four lovely fragrances. Featuring pretty blooms and graphic leaf prints, these designs appear in duck egg blues, gorgeous greys and midnight blue teamed with gold for a glamorous touch. eyes on istanbul 文化之都

Istanbul was recently voted the European Capital of Culture for 2010, and yoo decided to get in on the action by creating yooistanbul. Featuring 100 boutique apartments and set for completion in late 2011, the development will be situated in Ulus, overlooking the Bosphorous. Its elegant design will incorporate elements of Turkish culture across four design palettes: Culture, Classic, Minimal and Nature, with Philippe Starck adding his expertise to their style, look and feel.

伊斯坦堡最近獲選為本年度歐洲文化之都，yoo藉此機會打造yooistanbul，預計於2011年尾落成，將會設有100間商店，而地點就是位於Ulus，可俯瞰博斯普魯士海峽的景色。

yooistanbul會融入土耳其的文化，透過4個設計元素展現出來，包括文化、經典、簡約和自然，Philippe Starck是其中一位獲邀參與設計的大人物。
